Construction Notice: Sidewalk Closure at Chemistry Wing 1

Impacts: The sidewalk and adjacent green space at the northeast corner of Chemistry Wing 1 will be closed from August 11 through August 28. Pedestrians are advised to follow the posted detour signs and use the alternative route shown on the attached map.

Construction Activities: This closure is necessary to establish a laydown area for a dumpster and project materials in support of a new underground utility ductbank installation. This work is a component of the NextGen Energy Program.
