Dear Washington Gas Interruptible Customer,

**Effective 10:00 A.M., Monday, January 20, 2025, ALL LEVELS OF ALL INTERRUPTIBLE ACCOUNTS** on the Washington Gas system will be under a **full system interruption**. An interruption means your facility is **REQUIRED** to discontinue use of natural gas and switch to your alternative fuel source. Usage of natural gas during an interruption will result in penalties being assessed. Interruptible customers who purchase gas from a third party natural gas supplier, your supplier will be instructed not to bring gas to the Washington Gas system. **This interruption is scheduled to end at 10:00 AM, Wednesday, January 22, 2025.**

Please continue to monitor the interruptible operations website at <https://www.washingtongas.com/services/business-owners/interruptible-customers> and the interruptible hotline at **703-750-4773**.

Sincerely,

Washington Gas
